Important information about your 2026 Marketplace health coverage

Dear Kaitlyn Hallisch:

You may have gotten a letter from your Marketplace health insurance company stating that your current plan isn't available for 2026. We matched you with a new plan, so you don't have a gap in your coverage. **You don't have to stay in this new plan. You can choose any available plan that meets your needs and budget.**

Each person listed below was matched with a new plan. Coverage in the matched plan starts January 1 if you pay your first month's premium.

Household member(s)	Current insurance company for 2025	New plan for 2026	New insurance company for 2026
Kaitlyn Hallisch, Nathan Hallisch	Common Ground Healthcare Cooperative	Prestige Silver	Network Health

Can I choose a different plan for 2026?

Yes. Your plan costs may be different, and your coverage needs may have changed. Update your Marketplace application and review available plans to find one that meets your needs.

Because your current coverage is ending, **you qualify for a Special Enrollment Period**. To get this Special Enrollment Period, you must update your application. Be sure to answer the questions about your current coverage ending December 31.

Act by these dates:

- **November 1:** Open Enrollment starts — First day to update your application and pick a different plan.
- **December 15:** Last day to choose a different plan, so we don't enroll you in the plan(s) listed above. Coverage starts January 1 if you pay your first month's premium.

- **December 16 - December 31:** If you pick a different plan during this time (using the Special Enrollment Period), it will replace the plan we picked for you. Coverage starts January 1 if you pay your first month's premium.

If you update your application but don't select a plan, you'll be enrolled in the plan(s) listed above.

If you're a member of a federally recognized Tribe or a shareholder in an Alaska Native Claims Settlement Act Corporation (regional or village), you can enroll in or change plans at any time. Visit [HealthCare.gov/american-indians-alaska-natives](https://www.healthcare.gov/american-indians-alaska-natives) for more details.

What should I do next?

1. **Update your Marketplace application during Open Enrollment.** Even a small change in your household information can make a difference in your coverage and costs, so make sure your information is correct.
 - Log into your Marketplace account at [HealthCare.gov](https://www.healthcare.gov) (or the account you created through a certified enrollment partner website) and follow the steps to update your application for 2026.
 - **Report that your current plan's coverage ends on December 31 for each person listed in this letter.** You need to do this to get the Special Enrollment Period.
 - When you're done making updates, sign and submit your application.
2. **Compare your health plan options for 2026.**
 - Review your updated Eligibility Notice, then continue to enrollment where you can compare plans, costs, and benefits for 2026. When reviewing plans, you'll see the plan we enrolled you at the top of the list as your "Current or Alternate" plan.
 - You can also call the Marketplace Call Center at 1-800-318-2596 to compare your options and pick a plan. TTY users can call 1-855-889-4325.
3. **Pay your first monthly premium (if you have one) so your coverage starts.** Contact your health insurance company directly about your payment options. Visit [HealthCare.gov/complete-your-enrollment](https://www.healthcare.gov/complete-your-enrollment) to learn more about paying your plan premium.

If you worked with an assister, agent, or broker and want them to help you make updates, ask if they're still certified for 2026, or visit [HealthCare.gov/find-local-help](https://www.healthcare.gov/find-local-help) to find someone new.
